UNITED together

THANK YOU

It takes all of us pulling together our resources, our time, our talent, and our treasures, to make Brookings County the place we want to live. We encourage our 44 funded partner agencies to be UNITED TOGETHER as they provide services in the areas of health, education, and financial stability. We provide opportunities for collaboration and facilitate sharing of information and resources so supporters can feel confident that their donations are being leveraged to the full extent possible. Together we can meet the goal of raising the needed funds to ensure critical programs continue to help those in need.

On behalf of the board of directors, the funded community partners, and all of those that are impacted by United Way funds in one way or another, we thank each of you for making a difference in the lives of those around you.

Sincerely,
Heidi Gullickson, Executive Director
